News & tips from At Home With Harrah

### Good things happen when you Feng Shui your home!

People frequently ask if I apply feng shui to my own home, the answer is yes. I am continuously changing, rearranging and reassessing the energy, flow and personal belongings in my environment in order to create new opportunities, harmony, love and abundance for myself and for At Home with Harrah.

Since I feng shuid the Helpful People and Travel area of my home, I met and now have the pleasure of being coached by John Assaraf, of the Secret. Landed my biggest feng shui job yet: The Grand Sierra Resort, and was asked to serve on the Board of Directors for the International Feng Shui Guild. All of the above happened within a matter of weeks after applying the same feng shui principles we share with our guests at our At Home with Harrah shows and workshops.

In feng shui it is said, "as the inner, so the outer." When we make changes in our home, it creates changes in our lives and doors that were once closed begin to open.

### Customer Testimonial:

I am a realtor in Las Vegas. I've always done fine, but when I read Harrah's book...boy did that change my life. I followed most everything she had to say, even down to planting purple flowers in my back yard. Every time purple flowers blossomed, I knew I would be getting clients!

I bought my husband a wealth necklace and 2 days after he put it on he sold his first house!!! God Bless you Harrah.
